“Sometimes when I reflect back on all the wine I drink, I feel shamed. Then I look into the glass and think about the workers in the vineyard and all of their hopes and dreams. If I don’t drink this wine, they might be out of work and their dreams would be shattered. Then I say to myself, it is better that I drink this wine and let their dreams come true, than be selfish and worry about my liver”

- Jack Handy -
